

18 October 2023

Dear Residential Care residents, families and visitors

Further to our previous communication I wanted to update you on the COVID-19 outbreak in Banksia and Prospect wings.

Our testing over the past week has identified a further five positive cases.

Many residents who tested positive at the start of the outbreak have recovered and have now completed their isolation period. A small number continue to isolate in their rooms for now.

Our testing regime and close clinical monitoring of all residents is ongoing.

As mentioned previously residents, including those in Banksia and Prospect, can continue to attend excursions and receive visitors.

All visitors will be advised of the PPE required on arrival.

Thank you

Kelli Potts
EXECUTIVE MANAGER
OPERATIONS & FINANCE
